

## 4. ПОИСК ФРАГМЕНТОВ

Помоги Софи и Плато на каждой картинке найти **пять точно таких же фрагментов**, какие нарисованы над картинкой, и **обведи** их. В пустой ячейке под найденным фрагментом поставь **✓**.

1.

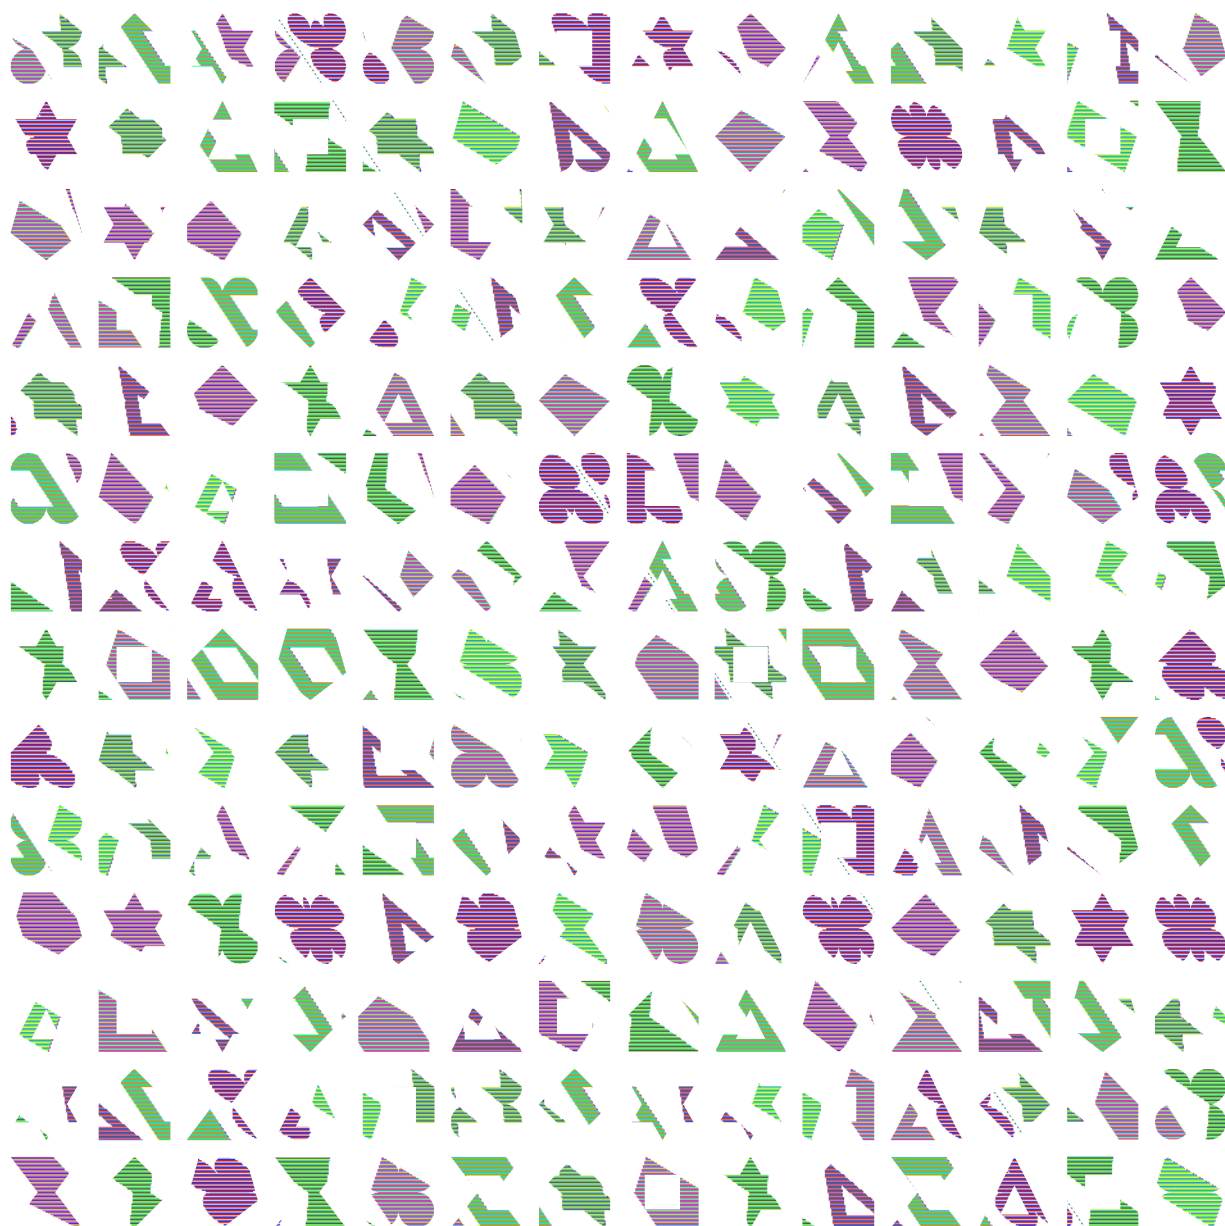

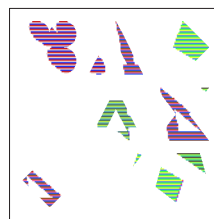

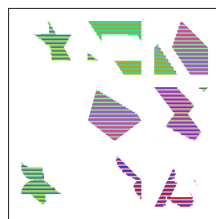

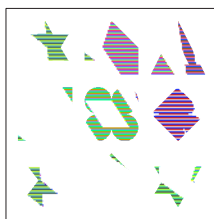

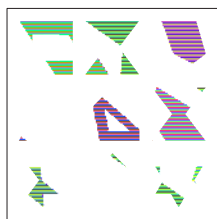

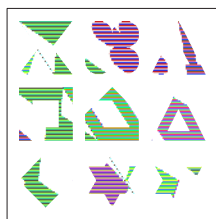

2.

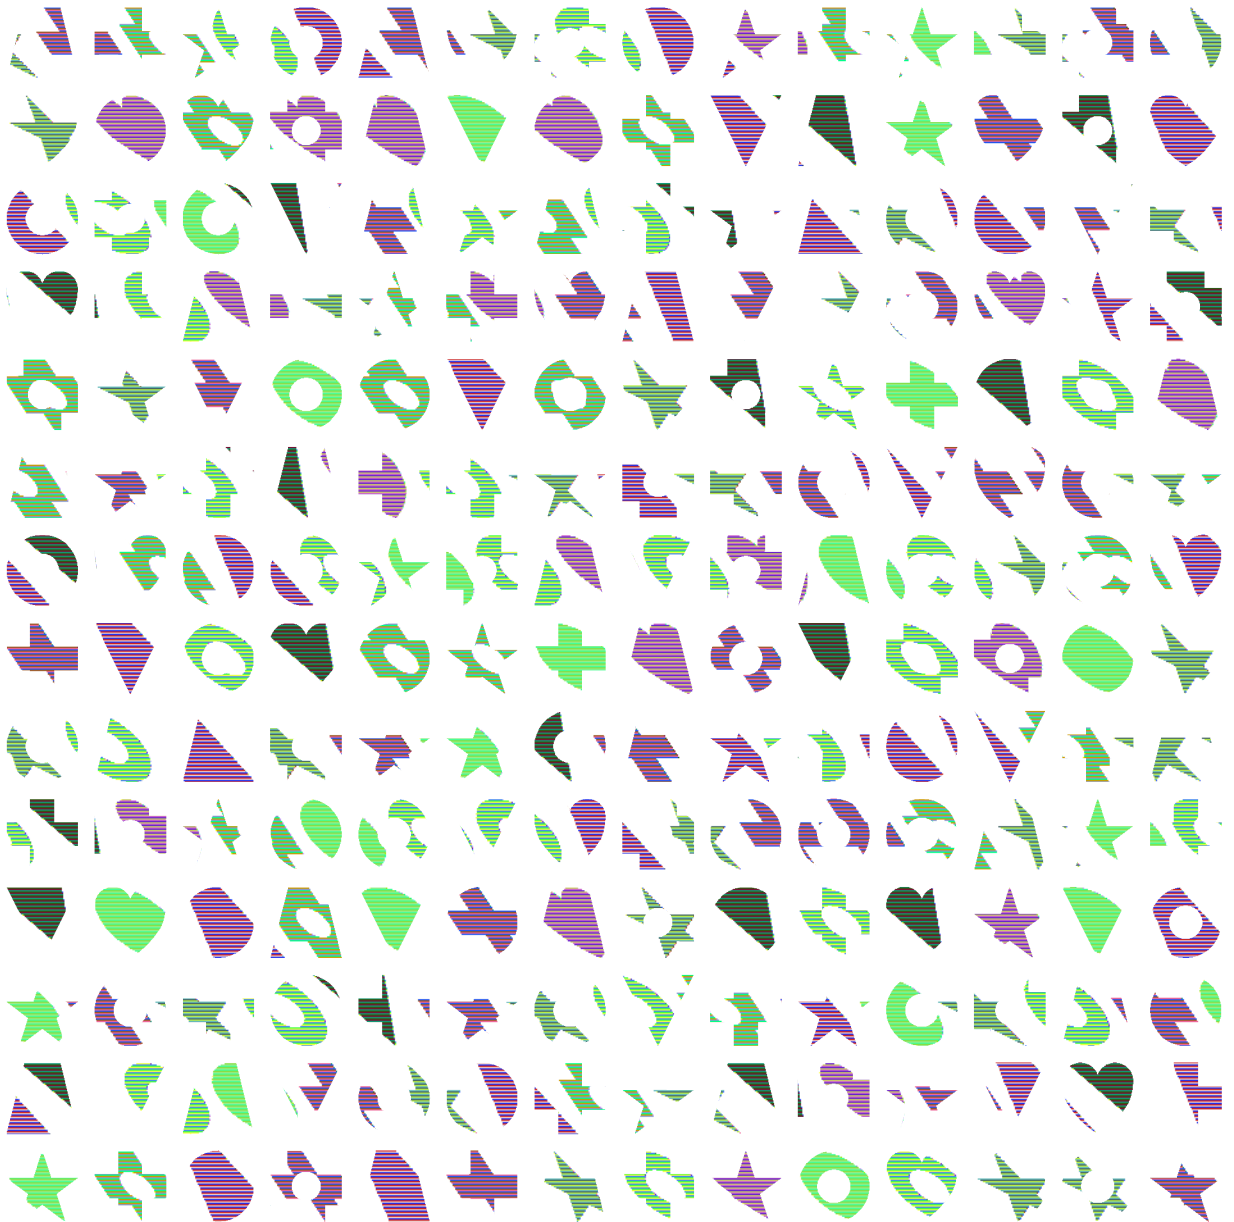

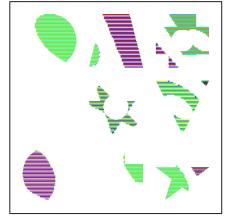

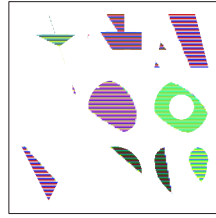

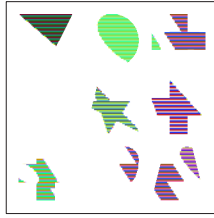

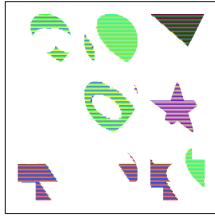

Задания этого раздела развивают зрительное восприятие и пространственное мышление. Они учат обращать внимание на незначительные детали, находить совпадения и различия, а также анализировать взаимосвязь между целым и его частями. Только внимание ко всем деталям позволит найти правильное решение.

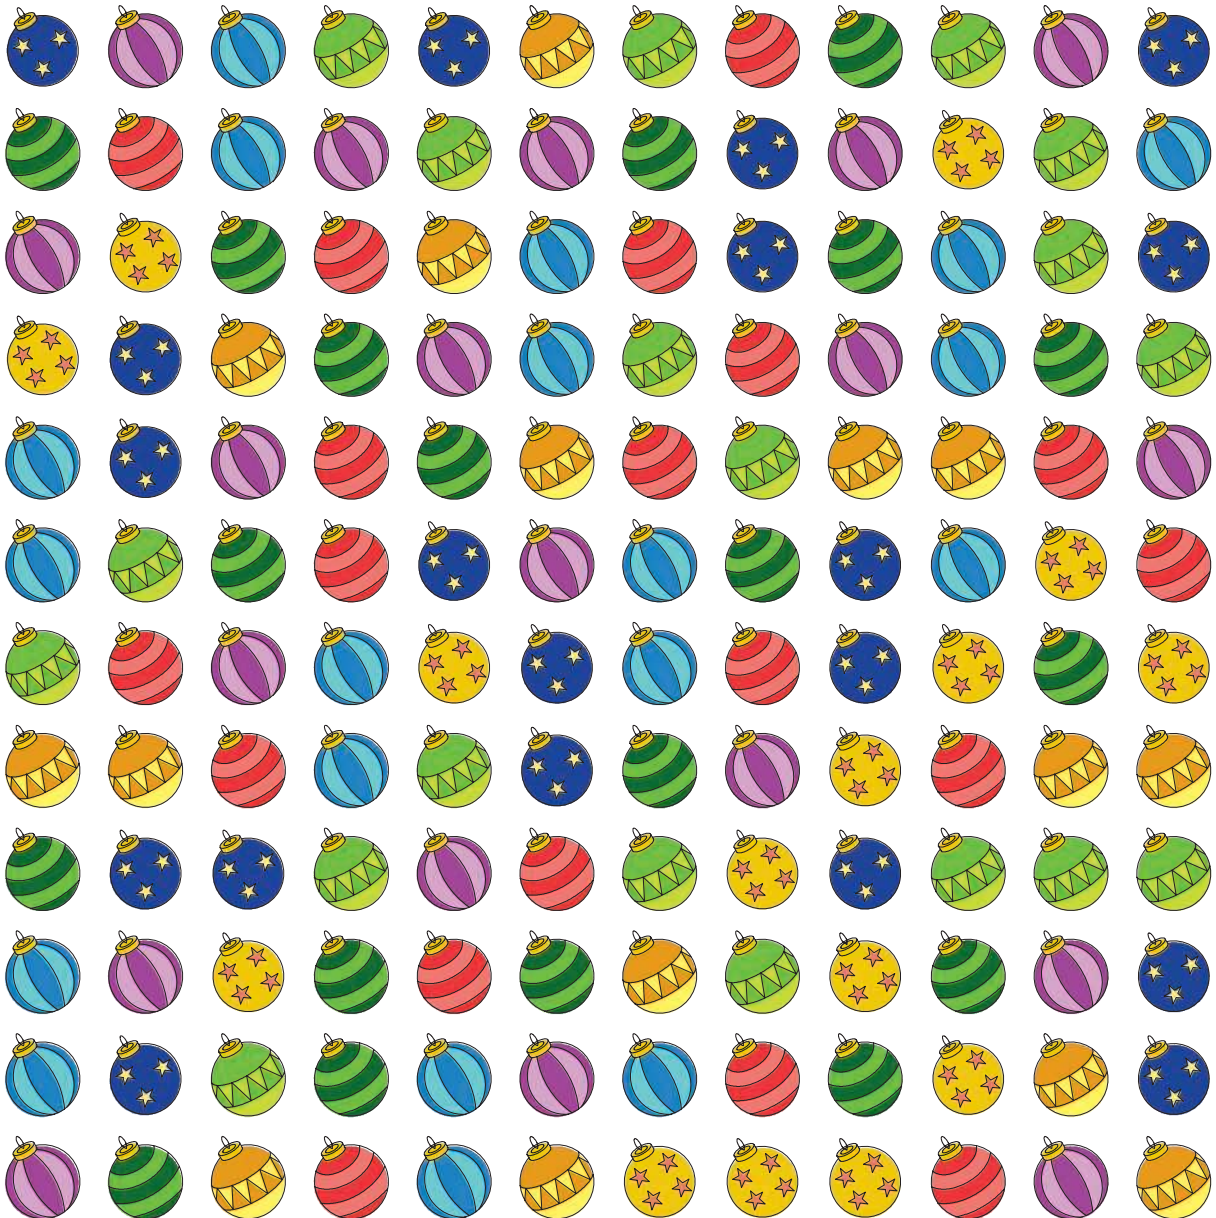

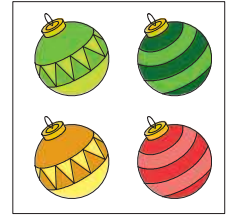

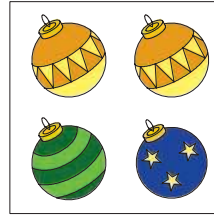

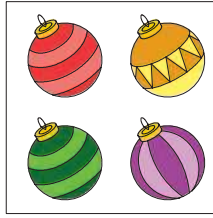

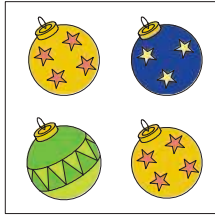

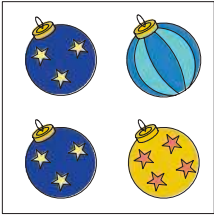

3.

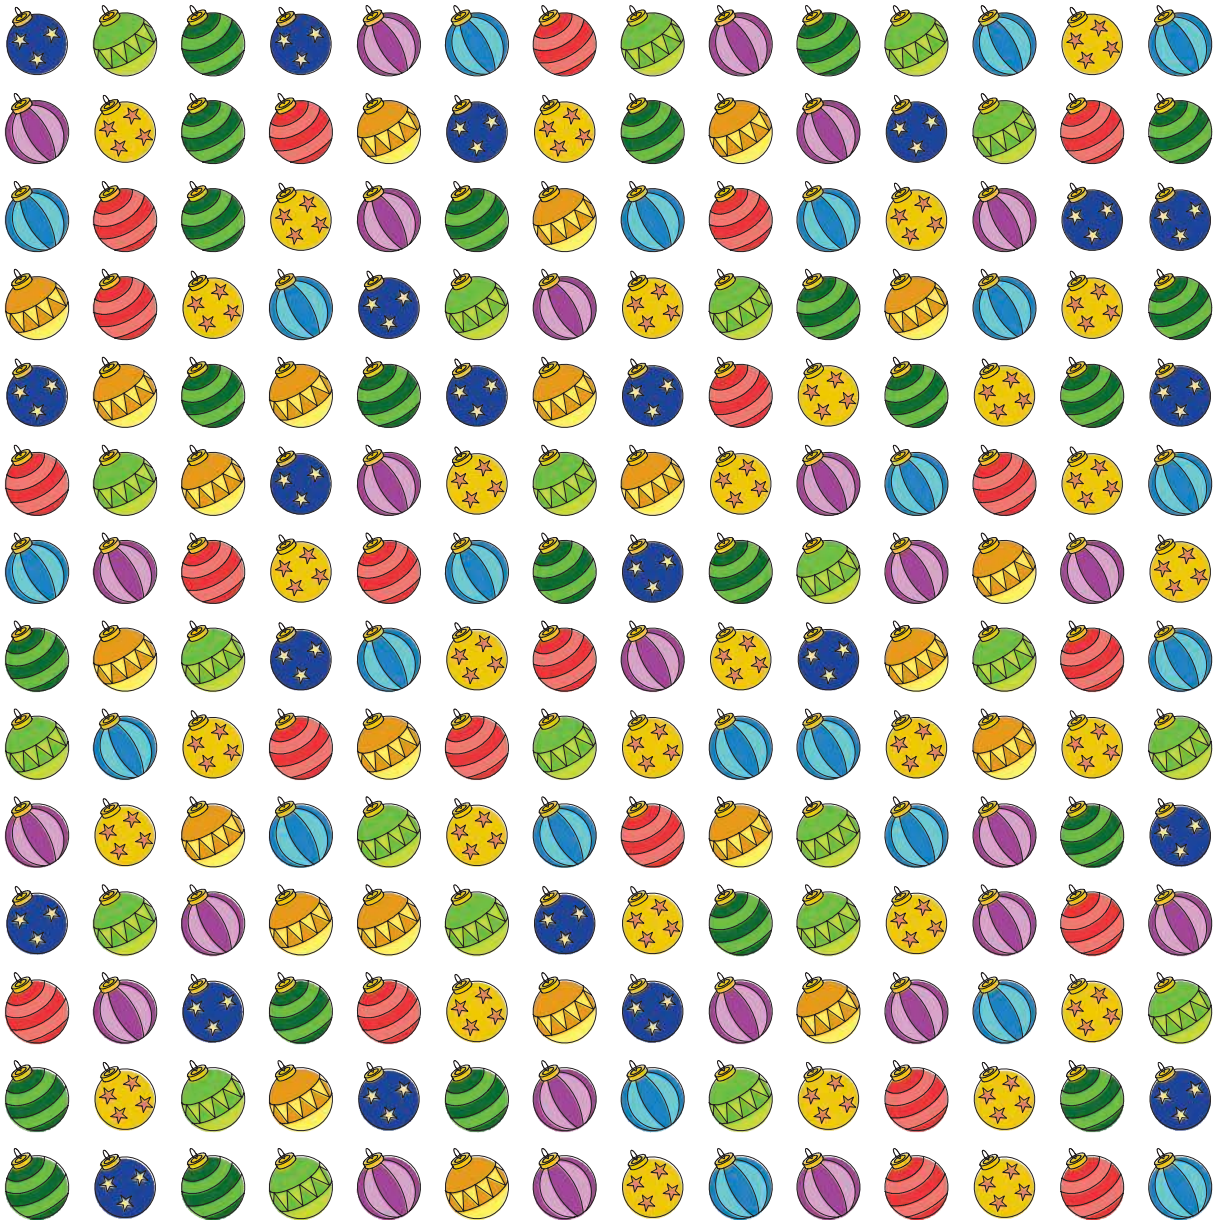

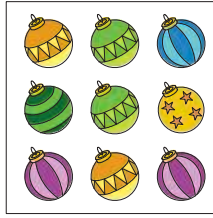

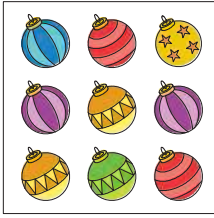

4.

5.

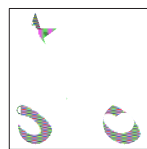

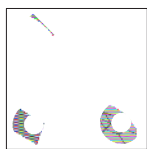

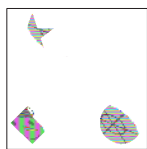

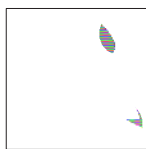

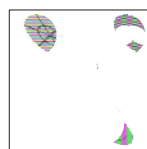

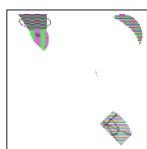

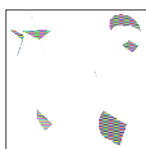

6.

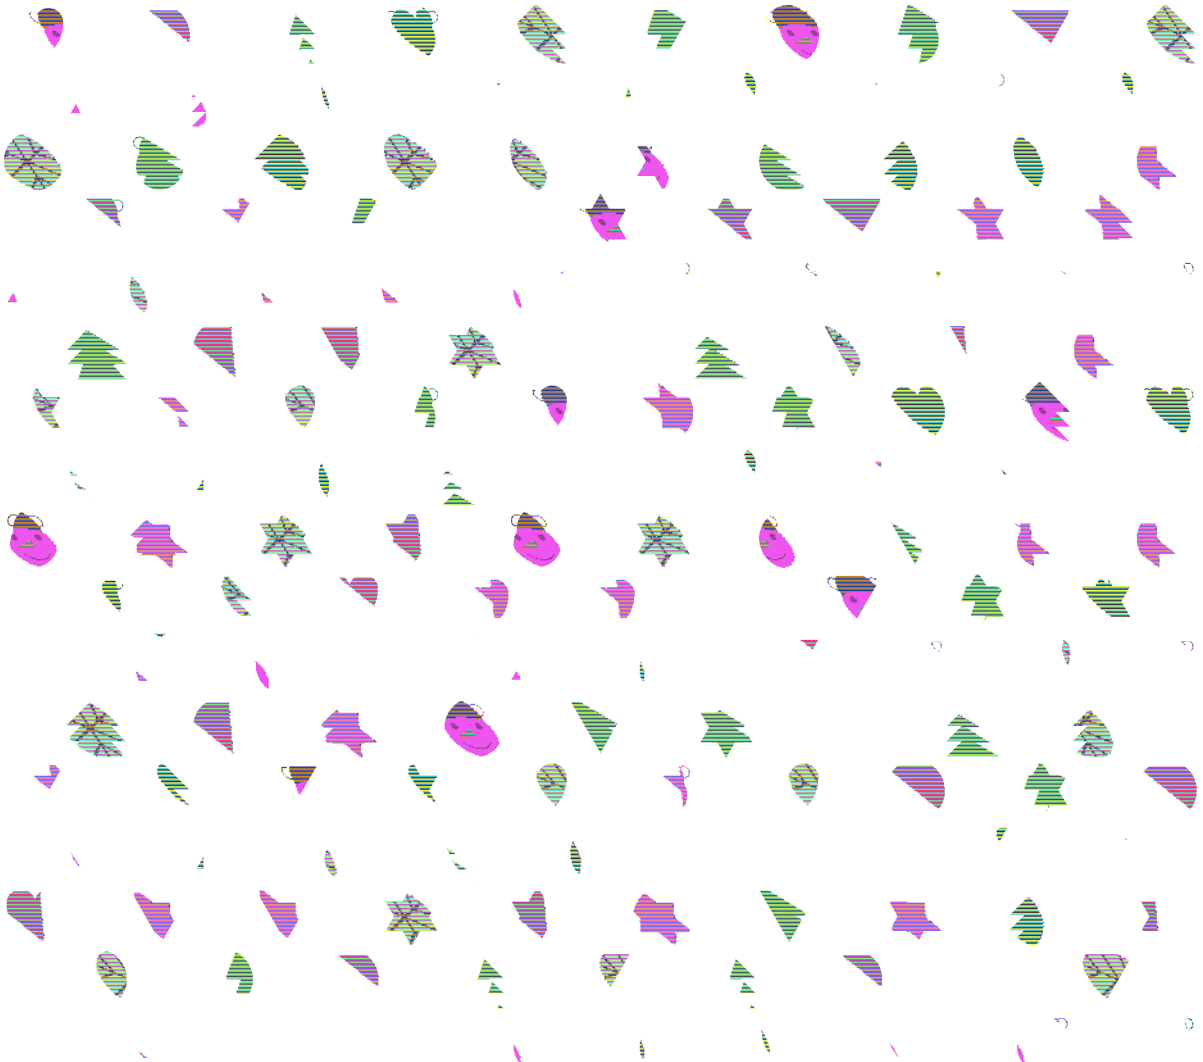

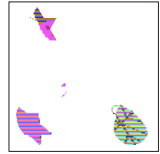

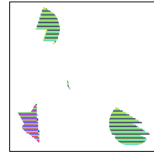

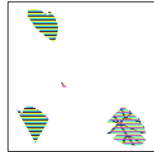

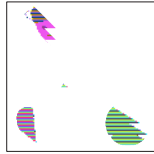

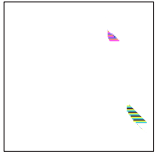

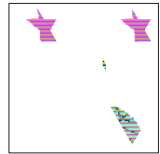

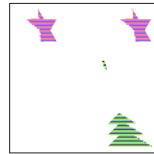

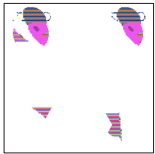

На следующих страницах, следуя тому же правилу, найди на картинке **десять** указанных фрагментов.
